Full job description

Your new company

Several short term opportunities exist within this renowned State Government department.

Your new role

This department are currently seeking a Performance Analyst, Senior Performance Analyst & Senior Assessment Officer to join them on a short term basis.

The roles will assist in the review of various council's short and long term performance and contribute to the implementation of performance measurement frameworks to ensure that councils comply with relevant statutory requirements, probity and due diligence. An aspect of the roles will be to provide high quality and timely responses to enquiries including correspondence, briefings and requests for advice. You will also be required to participate in project, policy & program development.

What you'll need to succeed

You'll be able to manage multiple tasks with competing priorities as well as exercise sound judgement in dealing with politically sensitive issues. You will be working in an environment undergoing fundamental reform against a background of scarce resources and a high level of community expectations.

What you'll get in return

You will be rewarded with an hourly rate ranging from \$46 - \$56, depending on experience and role. These positions are located in Nowra and the team are currently working from the office full time. They are to commence ASAP for a period of 4 months, with potential to extend.

What you need to do now
