Full job description

Your new company

This client is well established across in the Sydney and has been in operations for over 40 years. With a large and central facility they provide a fast and quality product to their clients.

Your new role

This role is factory based and you will be experienced in assembly line and fabrication work of sheet metal. The production line starts with measuring and cutting and finishes with lagging. You will need to be across all aspects of fabrication or be willing to learn along the way.

What you'll need to succeed

- Sheet metal trade qualified or equivalent
- Fabrication & assembly experienced
- Read plans and understand duct work
- Willing to learn and work in a team environment
- Reliable & good work ethic

What you'll get in return

- Ongoing for the right candidate
- Central location Botany
- Start ASAP
- Work for a prestigious company
